

As part of Kinapse’s Outsourcing business, Kinapse Medical Writing serves commercial, clinical and regulatory clients in a range of biopharma companies.

Kinapse Medical Writing brings writing expertise, collaboration, innovation and excellent results

Expertise ▶

Kinapse ‘joins up’ its experience to ensure consistency and synergy between commercial, clinical and regulatory documentation across a broad range of therapeutic areas.

Collaboration ▶

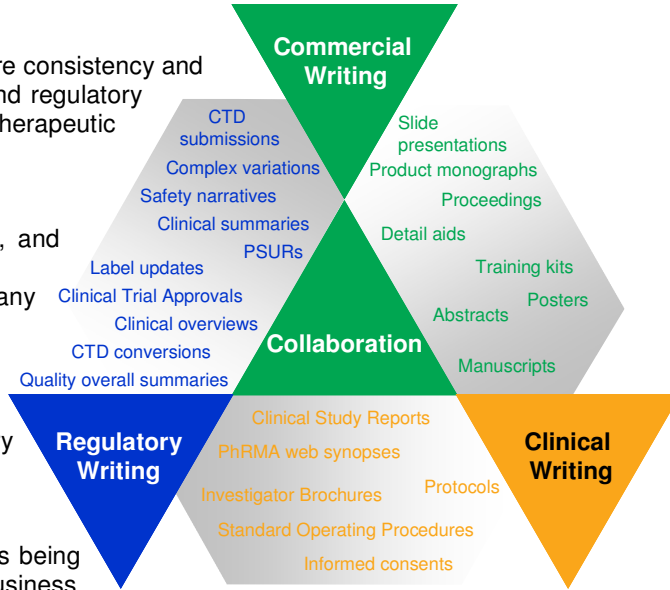

Kinapse is fully attuned to the specific, and different, needs of our customers. Our onshore Medical Writers have many years experience in Drug Development.

Innovation ▶

Our proven blended resource model allows us to deliver high quality at a very competitive cost.

Results ▶

Kinapse quality is consistently judged as being excellent and routinely secures repeat business from its client base, which includes the Top 10 R&D organisations, leading specialty pharmaceutical biotech organisations.

Our track record demonstrates our writing capability across the commercial, clinical and regulatory spectrum

We have successfully delivered on large scale contracts and individual documents, based on our clients’ needs.

We support the most complex document types through to simple and large volume documents. We can work within our clients’ document management systems, as well as with standard client templates as required.

Our clients report a range of benefits from working with us

- ▶ *Document quality ensured through expert quality assurance*
- ▶ *Documents produced in standardised templates according to company SOPs*
- ▶ *Regular status updates and constant client communication to view progress of project*
- ▶ *Efficient processes allow internal reviewers to schedule documents for review and sign off*
- ▶ *Successful delivery of documents ahead of, or on schedule and within budget*
- ▶ *Highly cost-competitive deliverables*
- ▶ *Clients’ internal resources available to focus on high value-added activities*
- ▶ *Capacity to deliver on large scale contracts as well as individual documents.*

Our global delivery model guarantees high-quality documents on time and on budget

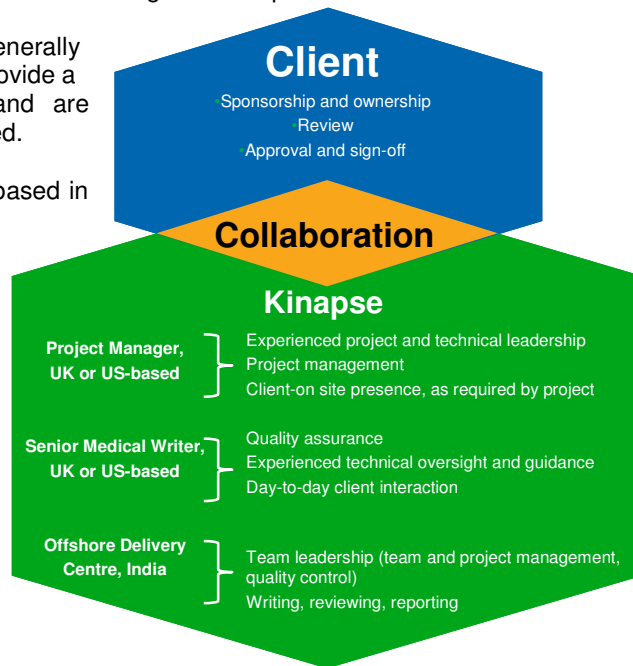

Our delivery model is founded on tightly-defined processes which enable us to ensure high quality delivery from the start of our engagement and continuously improve thereafter. This innovative approach brings benefits over and above the cost advantages of Kinapse.

Kinapse's client relationship personnel are generally UK- or US-based. Our Project Managers provide a single point of contact for our clients and are available to meet with the client when required.

Our offshore medical writing personnel are based in Gurgaon, New Delhi, India.

Our pricing is highly competitive and negotiable based on nature and volume of contracts

Our blended onshore-offshore writing teams are set up to ensure we provide unmatched value to our clients in quality, reliability and cost.
